ADOPTED WORKSHOP MINUTES

David Burnham, Chair
Bob Evans, Treasurer
Sarah Malinowski, Secretary
Kevin Carroll

Tryn Collins has been appointed to sit in the empty seat of Bruce Hubert who resigned last month, for the remainder of the year. She was present at the meeting and Kevin Carroll was absent.

The board has considered creating an advisory committee in order to utilize the vast expertise on the island. The committee would be on a volunteer basis and hopefully create more public interest in Waste Management. Bob Evans will write a letter to interested parties.

Beth has been charged with creating several new reports for the monthly meetings.

Beth presented new charges that the employees suggest for compost. The commission said to go with it.

There was discussion about the charging of brush between contractors and homeowners. They are charged the same and are charged by the cubic yard.

Sarah said she wants to be able to review draft minutes midway between meetings so that each commissioner can be reminded of their duties.

The meeting adjourned at 6:45 pm.
